Company Incorporation

Your success is our goal.

We take businesses further, faster with
an integrated suite of corporate solutions
driven by innovation and technology.

Why should you incorporate in Malaysia?

As one of the largest financial centres in Asia, Malaysia offers many benefits to companies. These include its business-friendly taxation and regulatory environment, ease of doing business in APAC and excellent telecommunications and digital connectivity. Expanding into a new international market is exciting for any business, but it also presents its own set of significant challenges. Here's how our professional team of incorporation experts can help.

Company setup specially designed for long-term success

- Personalised advice on the best structure and business set-up for your company
- Guidance on how to minimise your tax and personal liability obligations

Increased peace of mind around compliance

- Specialist expertise and experience across multiple APAC jurisdictions
- Lower risk of financial penalties for non-compliance

Efficient, stress-free incorporation

- Lower administrative burden
- Single point of contact, with an experienced account manager assigned to you

Improved efficiency and productivity with our integrated services

- Accounting advisory complemented by industry-leading software solutions
- Payroll management and processing complemented by our award winning all-in-one HRMS solution

Our Incorporation Services

- Wide-ranging Company Setup Advisory Services, including registration and incorporation for public and private limited companies, enterprises, trust bodies and non-profit organisations
- Foreign Company Registration/ Company Branch Office or Representative Office Setup
- Company Registration and Incorporation Assistance across APAC, including Hong Kong, Singapore, Australia and China
- Application Advice and Assistance for employment passes, permits and visa appeals, renewals and cancellations
